New Products

This month we've added more products to our bead section! You can now find cone shaped 1" beads, and new 1/2" beads! We've also added bracelets to our completed jewelry collection for only \$10.

Beads, Beads, Beads!

Our beads and bead jewelry is now better than ever!

Beads are now coated with a clear, glossy finish for some extra sparkle and durability.

Necklaces are also improved in quality and durability. We've upgraded from beading thread to strong, 21-strand beading wire, and from barrel clasps to lobster clasps!

Check them out today in our bead section!

Going Global

Junk Mail Gems is now available through retailers in the US, and is in the process of entering retailers in Canada and Great Britain! We will soon list our worldwide retailer locations on the website so keep an eye out! We've also opened a shop on Etsy...Check it out at www.junkmailgems.etsy.com
